Shower		
Threshold		
Tile		

Kitchen	Keep	Replace
Flooring		
Lighting		
Cabinets		
Top		
Appliances		
Range		
Microwave		
Dishwasher		
Refrigerator		
Ventilation		
Faucet(s)		
Sink(s)		
Garbage Disp		
Tile		

MEASURING STEPS

1. Pick a starting point, preferably a corner – measure from that point to the end of the other corner. Continue around the room being sure to make note of windows and door ways and proximity of distance to that corner.
2. Make note of venting, outlets, switches, etc.

MEASUREMENTS
